Special Session (1345 -1520 hrs)

"The Regulatory Challenges and Opportunities in the Indian Context"

The Session with the key regulators, policymakers and industry leaders will deliberate to decode India's regulatory framework. Views, sharp insights, candid debate and actionable ideas to align regulation with innovation for a stronger, globally competitive agriculture sector will be the key focus.

Panel Discussion (1545 - 1700 hrs)

"Empowering Farmers, Navigating Compliance: A State-wise View of the Agrochemical Industry"

Since Agriculture is a state subject, the Session will highlight the complexities of navigating diverse regulatory landscapes and also to explore ground realities across the various states—spotlighting how regional policies, compliance challenges and innovation can work together to empower farmers and boost agricultural growth.

Panel Discussion (1700 - 1800 hrs)

"From Super Foods to Safe Foods: Indian Agri-Exports and the Shifting Narrative on Agrochemicals"

Deliberation by experts on the evolving landscape of Indian agri-exports will focus on the shift from prioritizing "superfoods" to ensuring "safe food," and the role played by the narrative surrounding agrochemicals. This shift in narrative is crucial as it directly impacts India's competitiveness in the global agricultural market. The discussion will also explore how evolving perceptions of agrochemicals are shaping India's agri-exports, balancing market demands with farmer livelihoods and food safety.

CEO's Panel (1815 - 1915 hrs)

"Pesticides in the Spotlight: Villain, Hero or Scapegoat?"

The Panel will feature top industry leaders in a frank, no-holds-barred debate on the role, perception and future of pesticides in Indian agriculture.
